Hiring Manager

Dear Hiring Manager,

Please accept this letter and my accompanying resume. I am currently completing my studies in Computer Programming and Analysis at George Brown College, where I will graduate in April 2025.

Through my academic training, I have gained knowledge in full-stack development, with a focus on front-end technologies such as React, Angular, JavaScript, and HTML. While I am still in the process of gaining hands-on professional experience, I am eager to apply my skills in a real-world environment and continue expanding my technical knowledge.

In addition to my technical education, I have a background in IT support, including troubleshooting and providing remote assistance, with tools like Anydesk, LogMeIn, Webex, and Microsoft Teams. I have also worked with Windows 10/11, Microsoft Office 365, Active Directory, and VPN solutions.

Thank you for considering my application. I look forward to the possibility of discussing how my skills and enthusiasm can contribute to the success. Please feel free to contact me at johana1221@hotmail.com or 647-291-4782 to arrange an interview.

Sincerely,
Johana Romero
